### BYRES BOLD

With very finely cut leaves, this blend of black teas ensures a robust and rich flavour. Ideal if you enjoy a strong brew!

### GORGEOUS GREY

Our take on a more citrus style of Earl Grey; Sri Lankan black tea with Bergamot, orange blossom and lemon peel and a hint of blue blossom to take you to another land.

### MASALA CHAI

Our secret recipe has been hand blended using black tea with plenty of spices. Brewed with a mix of hot water and hot milk for the very best balanced flavour.

### TAHITIAN VANILLA

A light Sri Lankan black tea flavoured with real vanilla to give a rich, smooth and beautifully aromatic character.

### COCONUT CREAM

Light and delicate Sri Lankan black tea with sweet coconut and orange blossom. The creamy texture of fresh coconut balances with the rich, warmth of the tea.

## WHITE TEA

### CHINA ROSE

Delicate Chinese white tea hand blended with fragrant rose petals. Very light and subtle.

### SILVER NEEDLE

Bai Hao Silver Needle is the prince of white teas. Delicate, light, fresh and sweet. A true luxury.
